Crafting With a Hat On

BIO

I have been recognized for my creative abilities since I was in high school, but didn't think I had any special gifts. Then I learned that you didn't have to know how to draw to be creative.

I have been paper crafting since the 1990's and more recently began making photo magnet designs. My themes include the Pacific Northwest, ocean life, beach, boating, mermaids and, of course, Bigfoot.

Check back frequently to see what unique andfun designs are waiting for you.

Special Orders Upon Request.

I can do special events, such as weddings, birthdays or corporate events. Custom orders are available as well for preserving your memories.

Greeting Cards are one of a kind, and can be made upon request for special occasions.
